Dear Name,

If you drive a vehicle in Norway through an automated road toll station, as the registered keeper or hirer, you will be subsequently invoiced for the road toll fee. The invoice is sent to you by post or email (if you have pre-registered via EPC's website) and is due for payment, unless you have pre-registered your credit/debit card via EPC's website, [www.epcplc.com](http://www.epcplc.com).

The date, time and location of each toll road journey is listed on the bottom of the next page(s).

### How To Pay

**IMPORTANT:** When paying please use the invoice number above as payment reference - unreferenced payments may result in a reminder being issued with additional charges.

#### Further Information

This invoice contains the road toll fee(s) detailed below. There may be other outstanding toll fees within the same period of time which have not yet been reported. Should this be the case, unreported toll fees will be included on the next invoice.

If there are further images associated with the journey(s) detailed on this invoice, these can be viewed online at [www.epcplc.com](http://www.epcplc.com) using the invoice number and vehicle registration number to log in.

More information about the Norwegian road tolls and EPC are available on [www.autopass.no](http://www.autopass.no) and [www.epcplc.com](http://www.epcplc.com).

#### AutoPASS Tag / EPC Account Without Tag

For future payments of road tolls in Norway, we recommend that you either sign a contract with a Norwegian road toll company to issue you with an AutoPASS-tag for your vehicle or you set up an online account with EPC at [www.epcplc.com](http://www.epcplc.com). An AutoPASS-tag entitles you to discounted fees for using road tolls in Norway. For more information, please visit [www.autopass.no](http://www.autopass.no).

If you drive a commercial vehicle above 3,500 kg, it is mandatory to have a valid tag approved for use in Norway. For more information, please visit [www.autopass.no](http://www.autopass.no).

Please note that from 1 October 2017, on certain toll roads, the toll charge will be determined by the vehicle's emission standard. For foreign registered vehicles, the emission standard must be registered by the owner or user of the vehicle in order to receive the correct toll fee. Please visit [www.epcplc.com/EnvironmentalDifferentiation](http://www.epcplc.com/EnvironmentalDifferentiation) and register before driving across the border into Norway. Failure to register may result in a higher toll fee than the one stipulated for your vehicle.

#### Exchange Rate Policy

EPC has, in order to make it easier and less expensive for you when making payment, exchanged the value of the invoice from its original currency to your domestic currency. The exchange rate is set on the day the invoice was produced. This exchange rate remains valid until the invoice is paid in full.

Should you prefer to pay in NOK, please use the following bank details. The amount in NOK can be found below under Invoice Summary.

Bank Name: SEB, NORWAY | Account Number: 97500630802 | KID: 132331236

#### Contact EPC

Should you have any queries or you wish to make a representation regarding this invoice or you believe you had a valid AutoPASS/BroBizz tag at the time of the below journeys please contact EPC online at [www.epcplc.com](http://www.epcplc.com).
